
BUXTON SCHOOL

est. 1928

Phone: 413 458-3919 Fax: 413 458-9428
291 South Street
Williamstown, MA 01267

We require:

- Yearly physical examination & health history
- Complete immunization history per Massachusetts state law and record of the COVID vaccine
- If a student does not have all required immunizations, parents must submit a vaccination waiver
- If applicable, up-to-date prescription medication regimen

Please return completed documents to Buxton School, Attn: Chiara by August 1st, 2022 or as soon as possible afterwards.

HEALTH HISTORY & PHYSICAL EXAMINATION FORM
To be completed by a licensed medical practitioner not related to the student.

1	2	3	1	2	
Meningococcal vaccine – 1 or 2 doses		MMR vaccine – 2 doses		COVID vaccine – 1 or 2 doses	
1	2	1	2	1.	2.

RECOMMENDED/ENCOURAGED

Influenza vaccine - current		
1.		

Do you envision any need to make provisions and/or limitations in the student's pursuit of a vigorous academic, extra-curricular, and/or sports/travel program? Yes ___ No ___ If yes, please describe: _____

Student Student's ImpACT score (concussion assessment) _____

Physician signature X _____ Date _____

Physician name (please print) _____ Phone _____

PRESCRIPTION MEDICATION & ORDER PERMISSION FORM

Prescription medication will not be given to students until we receive this form completed and signed by the prescribing physician. The medication must be in its original container labeled by the pharmacy as prescribed by the physician. All regularly scheduled medications must be listed here so that, in the event of an emergency, the treating physician is aware of all medications. Please fill out instructions for each medication. **Buxton School requires a new form to be submitted each time a medication changes.**

Student Last Name, First Name: _____

Date of Birth (month/day/year): _____

Medications/Dosage	Frequency/Directions	Reason for Taking

At Buxton School, all prescription medication is handed out daily from the nurse's office – and it is a student's responsibility to collect their medication at the prescribed times. It is my professional opinion that this student is capable of taking their medication as prescribed.

Physician name (print please): _____

Physician signature: **X** _____ Date: _____

Phone: _____ Email: _____

Massachusetts School Immunization Requirements 2022-2023[§]

Requirements apply to all students including individuals from another country attending or visiting classes or educational programs as part of an academic visitation or exchange program. Requirements apply to all students, even if over 18 years of age.

Grades 7 – 12[†]

In ungraded classrooms, Grade 7 requirements apply to all students ≥ 12 years.

Tdap	1 dose; and history of DTaP primary series or age appropriate catch-up vaccination. Tdap given at ≥ 7 years may be counted, but a dose at age 11-12 is recommended if Tdap was given earlier as part of a catch-up schedule. Td or Tdap should be given if it has been ≥ 10 years since last Tdap
Polio	4 doses; fourth dose must be given on or after the 4 th birthday and ≥ 6 months after the previous dose, or a fifth dose is required. 3 doses are acceptable if the third dose is given on or after the 4 th birthday and ≥ 6 months after the previous dose
Hepatitis B	3 doses; laboratory evidence of immunity acceptable. 2 doses of Heplisav-B given on or after 18 years of age are acceptable
MMR	2 doses; first dose must be given on or after the 1 st birthday and second dose must be given ≥ 28 days after first dose; laboratory evidence of immunity acceptable
Varicella	2 doses; first dose must be given on or after the 1 st birthday and second dose must be given ≥ 28 days after first dose; a reliable history of chickenpox* or laboratory evidence of immunity acceptable

Meningococcal Requirements

Grade 7-8	1 dose; 1 dose MenACWY (formerly MCV4) required. Meningococcal B vaccine is not required and does not meet this requirement.
Grade 11-12 [‡]	2 doses; second dose MenACWY (formerly MCV4) must be given on or after the 16th birthday and ≥ 8 weeks after the previous dose. 1 dose is acceptable if it was given on or after the 16th birthday. Meningococcal B vaccine is not required and does not meet this requirement.

Meningococcal Vaccine Phase-In Schedule

	2021-2022	2022-2023	2023-2024
1 Dose MenACWY	Grades 7-8	Grades 7-9	Grades 7-10
2 Doses MenACWY	Grades 11-12	Grades 11-12	Grades 11-12

[§] Address questions about enforcement with your legal counsel. School requirements are enforced at the local level.

[†]Medical exemptions (statement from a physician stating that a vaccine is medically contraindicated for a student) must be renewed annually at the start of the school year and religious exemptions (statement from a student, or parent/guardian if the student is < 18 years of age, stating that a vaccine is against sincerely held religious beliefs) should be renewed annually at the start of the school year.

^l A reliable history of chickenpox includes a diagnosis of chickenpox, or interpretation of parent/guardian description of chickenpox, by a physician, nurse practitioner, physician assistant, or designee.

[‡] Students who are 15 years old in grade 11 are in compliance until they turn 16 years old
